

**REMARKS**

By this amendment, the specification has been amended to correspond to formal changes to the figures. The figures have been changed to comply with the request of the USPTO that the figures sectional designations use numerals rather than letters. Accordingly, Applicants believe that the application is now in compliance with the formal requirements of the USPTO.

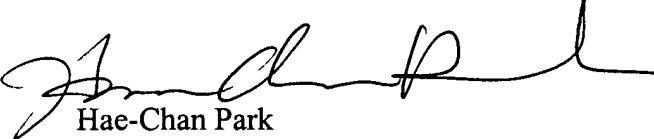

Entry of the Amendments and Remarks is respectfully requested because entry of Amendment places the present application in condition for issuance. No new matters are believed to be added by these Amendments. In view of the above amendments and the following Remarks, Applicants respectfully request reconsideration and timely withdrawal of the pending objections and rejections for the reasons discussed below.

**CONCLUSION**

Should the Examiner feel that there are any issues outstanding after consideration of this response, the Examiner is invited to contact the Applicants' undersigned representative at the number below to expedite prosecution.

Prompt and favorable consideration of this Reply is respectfully requested.

Respectfully submitted,
